

Terms and Conditions for using the Three Network

for Pay Monthly customers who joined or upgraded on or after 1st September 2024.

If you'd like a copy of these Terms or other communications (other than marketing communications) related to your services in an alternative format (e.g. Braille or large print) please contact Three Customer Services on 333 from your Three Phone or 0333 338 1001 from a non-Three phone. For more information on Three's accessibility services please see [Three.co.uk/accessibility](https://www.three.co.uk/accessibility)

Quick Summary

Here's a quick summary of some of the key points that we'd like you to be aware of. The full terms of your agreement with Three are below - it's important that you read and understand them before you sign up to Three and start using Three Services. At the end of these Terms we've set out definitions of capitalised words used in these Terms. If there is any inconsistency between this summary, and the full terms set out below, the full terms will apply.

Your Minimum Commitment: You agree to stay with us for the Minimum Term. The minimum price for Three Services provided under this agreement is the Monthly Charge for the Minimum Term.

Annual Price Increase: Each April, your Monthly Charge will increase by a fixed amount depending on your plan's data allowance. Plans 4GB or less & Smartwatch Pairing Plans will increase by £1.00 per month. Plans from 5GB to 99GB will increase by £1.25 per month. Plans 100GB or over will increase by £1.50 per month. All Home Broadband plans will increase by £2.00 per month. We've shown an example in the following table of how increase will work.

Monthly Price until March 2025	Monthly Price from April 2025 to March 2026	Monthly Price from April 2026 to March 2027
Price A	Price A + price increase as set out above (= Price B)	Price B + price increase as set out above (= Price C)
We've set out an example below showing how this would work if your Monthly Charge is £30 and your data allowance is 4GB on a Pay Monthly SIMO plan meaning that your Monthly Charge will increase each April by £1 per month.		
£30.00	£30 + £1 = £31	£31 + £1 = £32

To find out more about Price Increases, please visit our dedicated page [here](#).

Other Changes: If we make any changes to the Charges, the Three Services, Outside of Allowance Services or the Additional Services and those changes give you a right to terminate your Agreement we will notify you at least 30 days in advance of such changes being made. We may also make changes or amend pricing in respect of Additional Services which will not give you a right to terminate this Agreement and those changes will be published on our website. See Section 4 and 10 below.

Our Network: We'll try to provide you with a great quality Three Network at all times within our coverage area. However, due to the nature of mobile technology, there may be times when Three Services aren't continuously available, or the quality is affected. Problems can happen if we're carrying out maintenance work, if you're outside our coverage area, or if you're in a tunnel for example. Throughout 2023 and 2024, we will be making changes to and upgrading the Three Network. Following some of these changes, you will need a 4G or 5G handset capable of making voice calls on the 4G network, or a 4G or 5G router to access the Three Services. 3G-only devices, and early 4G handsets that can only make 3G voice calls, will no longer work on the Three Network, in areas where planned work is carried out. For more information about coverage, go to [Three.co.uk/coverage](https://www.three.co.uk/coverage). See section 5 below.

Breaking this Agreement: If you don't pay your account on time or we reasonably believe that you haven't complied with certain terms of your agreement, we may suspend or disconnect Three Services, but you still must pay all outstanding Charges (including a Cancellation Fee for disconnection). See Sections 9 and 10.3 below.

Ending this Agreement: How you can end your agreement depends on whether you're in your Minimum Term or not, and whether we've made any changes to your agreement that are likely to impact the Three Services you receive. [Please see the below Table 1 for a summary of how and when you can end your agreement. The Cancellation Fee will be the total of the Monthly Charges remaining during the Minimum Term of your agreement less a variable discount, currently 3%. We reserve the right to vary the amount of the percentage discount from time to time.

Your Information: You agree that we can process your information which we collect and / or which you give to us during any sales or registration process, for a number of purposes, including, but not limited to, opening and managing an account for Three Services, to deliver products and services ordered by you, for credit checking and fraud prevention, and for product analysis and direct marketing (subject to your preferences). See Section 13 below.

1 Who's who and what's what

1.1 When we say:

- (a) 'we', 'us' or 'our', we mean Hutchison 3G UK Limited, trading as 'Three', (company number 03885486), with its registered address at 450 Longwater Avenue, Green Park, Reading, Berkshire, RG2 6GF;
- (b) 'you' or 'your', we mean you, our customer whose name appears on the Welcome Letter;
- (c) 'agreement', we mean your agreement with us for the supply of Three Services. Section 2.1 explains what terms make up your agreement.

1.2 We've set out at the end of these Terms definitions of the capitalised words we use in these Terms.

2 About your agreement

2.1 Your agreement is made up of these Terms and your Package (as set out in our Price Guide), along with any other terms laid down in additional Three Services. Additional terms may apply to any promotional or special offers.

2.2 Your agreement is personal to you. Unless we give you permission, you can't pass your rights or responsibilities to anyone else - even if we give you more than one SIM or eSIM Profile or you give your Device to others. It's your responsibility to make sure the SIMs or eSIM Profiles are only used to access Three Services as allowed under this agreement.

2.3 This agreement doesn't cover:

- (a) any products or services you buy while using Three Services; or
- (b) the supply of your Device.

3 When your agreement starts

3.1 Your agreement for the provision of Three Services, starts when we Connect you to Three. By inserting your SIM or by scanning or otherwise entering the activation code from your eSIM QR Code you're expressly requesting that we provide you with the Three Services. For existing customers who have upgraded with us by signing up to a new agreement for a new Minimum Term, your new agreement will start on the day we accept your new request for Three Services, unless we agree an alternative date with you.

3.2 If you signed up to your new agreement through Three.co.uk or Three Telesales or Three Customer Services or if you have purchased Three Home Broadband through a Three retail store you may cancel your agreement within the Returns Period. If you use Three Services before you cancel you will be charged for them. Please remember that it can take up to 3 months for some international and Premium Services to be applied to your bill. Please see our Returns Policy at Three.co.uk>Returns for more information.

3.3 If your Package has a Minimum Term, you agree to remain Connected to Three for that Minimum Term. You have limited rights to end the agreement during the Minimum Term as set out in Section 10. If your Package doesn't have a Minimum Term, or your Minimum Term has ended, we'll supply you with Three Services until either of us chooses to end the agreement in any of the ways set out in Section 10.

4 Changes to your agreement or prices

4.1 Each April, your Monthly Charge will increase by a fixed amount depending on your plan's data allowance. Plans 4GB or less & Smartwatch Pairing Plans will increase by £1.00 per month. Plans from 5GB to 99GB will increase by £1.25 per month. Plans 100GB or over will increase by £1.50 per month. All Home Broadband plans will increase by £2.00 per month. The annual increase will first appear on your April bill. An example of how this may impact you is set out in the Quick Summary of your Agreement above'

4.2 In addition to Section 4.1, we may change any of the terms of your agreement, including our Packages or Charges, as follows:

- (a) we may discontinue or amend your Package or the Three Services in which case we will let you know no less than 30 days in advance (unless otherwise provided in this Agreement);

- (b) we may need to change or introduce new Charges in respect of our Outside of Allowance Services, or Ancillary Services;
- (c) we may change or introduce new Charges in respect of Additional Services or Add-Ons and will publish any changes on the Three website. If any Add-ons affected have a recurring Charge, we'll let you know at least fourteen (14) days before the Charge changes;
- (d) where permitted or required to comply with law or regulation;
- (e) as a result of any changes to services or increases in charges imposed on us by third parties e.g. changes to roaming costs or international call costs, where such changes are related to the costs/price increases charged to us by wholesale partners or providers; and/or
- (f) where a change is, in our reasonable determination, required to maintain or improve the quality or security of the Three Services.

4.3 Other than in respect of:

- (a) changes made in accordance with Section 4.1;
- (b) changes under Section 4.2(e) (unless you are materially disadvantaged by such changes and we notify you in accordance with Section 4.4);
- (c) changes to Ancillary Services which you have not opted to receive; or
- (d) changes to an Additional Service or Add-on which is offered as an optional service for a minimum term of no more than 30 days;

where any proposed changes to the Agreement impact the Three Services you receive from us are not:

- (a) exclusively for your benefit;
- (b) of a purely administrative nature that has no negative effect on you; or
- (c) directly imposed by law e.g. changes to VAT;

we will notify you of such proposed changes at least 30 days in advance of the proposed changes taking place.

4.4 Where we make changes under Section 4.2(e) which, in our reasonable determination are likely to materially disadvantage you, we will notify you of such proposed changes at least 30 days in advance of such proposed changes taking place (which shall be no more frequently than once per month).

4.5 Subject to Section 7 below, where we have provided you with notice under Section 4.3 or 4.4 above, you can, following receipt of any such notice and if such proposed changes are not acceptable to you, terminate your Agreement by giving notice to Three Customer Services or chose to switch providers within that 30 day notice period.

4.6 If you carry on using Three Services after the 30 day notice period provided in accordance with Section 4.3 or 4.4, you will be deemed to have accepted the change, and will not be able to subsequently terminate the Agreement.

4.7 If you terminate the Agreement in accordance with Section 4.5 during the 30 day notice period provided by Three, no Cancellation Fee will be applicable to such termination by you. If you terminate the Agreement for any other reason during the Minimum Term, a Cancellation Fee may be payable (as detailed in Section 11.2).

5 What we'll provide to you

A Three Phone number and SIM or eSIM Profile

- 5.1 We'll open an account for you and provide you with a SIM or eSIM Profile and a Three phone number.
- 5.2 We own each SIM and eSIM Profile, which remain our property at all times. You're being allowed to use the SIM or eSIM Profile by us on a limited licence to allow you to access Three Services.
- 5.3 Each SIM or eSIM Profile can only be used in Devices which are authorised by us for Connection to the Three Network. If you try to use the SIM in another device, it may damage the device and affect your usage (including making emergency calls). In these instances, we're not responsible for any such damage or usage problems.
- 5.4 You can move your existing phone number to Three. First, you need to ask your previous mobile network operator for your PAC, and then you will need to give your PAC to us. Once we've checked the details of your request, we'll confirm the date when your phone number will be moved to Three. If the move is delayed and the delay is our fault, you will receive compensation on your Three account within 30 days. For anything else, just get in touch at three.co.uk/contact_us. Guidance on our switching process is available on our support pages: three.co.uk/support/switching.
- 5.5 You can move your Three phone number to another mobile network operator. First, you need to ask us for your PAC. Once we've checked the details of your request, we'll give you your PAC which must be used within the time specified. Your Three Services will be discontinued once your number has been successfully transferred. If you move your Three phone number to another mobile network operator within your Minimum Term (if you have one), you must pay us all the Charges you owe, plus any Cancellation Fee for your Package. Guidance on our switching process is available on our support pages: three.co.uk/support/switching.

5.8 We:

Three Services

- 5.6 Once you're Connected to Three we'll provide you with access to Three Services.
- 5.7 You may also be able to upload and send your own content using Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content you upload on Three Services.

Updated: 1 Sept 2024

- (a) may change or withdraw some, or part, of Three Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or change content. Depending on the changes that we make, you may have a right to end this agreement, as explained in Section 4.
- (b) may also determine how Three Services are presented and delivered to the Device or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;
- (c) may deploy traffic management measures, known collectively as TrafficSense™, across the Three Network to protect the network and to ensure an enjoyable internet experience for the vast majority of our customers. For details see Three.co.uk/trafficsense. We reserve the right to review and amend any such measures from time to time.

5.9 Smartwatch Pairing

- (a) These Terms also apply to any Smartwatch Pairing Plan which may be part of your Package and included in the Monthly Charge or added by you as an Additional Service. Smartwatches can only be paired with compatible Phones which are listed on the manufacturer's website. The Smartwatch Pairing Plan does not include any calls, texts or data so your Secondary Device must be paired with your Primary Service to enable the Secondary Device to share the allowances included in your Package. Using your Secondary Device will deplete the allowances in your Package. If you exhaust the allowances included in your Package, you will be charged for any Outside of Allowance Services you use at the rates set out in the Price Guide. You need to have an active Primary Service for the duration of the Smartwatch Pairing Plan

to be able to share allowances with your Secondary Device. If you cancel your Primary Service you will not be able to use data or make or receive calls or texts on your Secondary Device unless you pair your Secondary Device with a different Three Primary Service. You will need to be in a 3G or 4G coverage area to be able to use Smartwatch Pairing to connect to the internet from your Smartwatch. You cannot use the Smartwatch Pairing Plan to share the allowances from your Primary Plan in destinations outside the UK, although you can still use the functionality of your Smartwatch over Bluetooth or WiFi.

5.10 Access to the Emergency Services

- (a) You can make free calls to emergency services from your Phone in the UK by calling 999 or 112. When you're outside of Three's coverage area in the UK, your Phone will try to locate another mobile network so that you can try to contact the emergency services (however, neither your mobile phone number nor your Location Data will be transmitted to the emergency services in these circumstances). If you need to contact the emergency services while you're roaming abroad, you will need to call 112 (this number is recognised by most mobile operators worldwide) or the local emergency services number if different (however, neither your phone number nor your Location Data will be transmitted to the emergency services in these circumstances). Emergency service calls can't be made using Skype (or certain other voice over IP services) on your Phone. If you want to call the emergency services, you will need to make a normal voice call from your Phone.
- (b) If you want to call the emergency services with our WiFi Calling service, please note that your call may be interrupted or end if you have a power cut or your internet connection fails. If you are having problems connecting with WiFi you may wish to use a mobile or fixed network connection (instead of WiFi) and/or register (and keep us up to date) on the address where

you plan to use our WiFi calling services (so we have your latest location information to hand for emergency organisations in case of an emergency). You may also be asked to confirm or provide your location when making an emergency call (to help emergency organisations identify the services you need). Please also note that emergency service calls can't be made using Skype on your Phone. For instructions on how to make emergency calls from your Smartwatch when using Smartwatch Pairing, please see the manufacturer's instructions for your Smartwatch.

- (c) If you have difficulties hearing or are speech impaired and you need emergency assistance, you can send a text message with details of your location to 999 or 112. The text will be converted and passed to the appropriate emergency service but you will need to register your Phone before you can use this service. Details on how to do this are available at www.emergencysms.org.uk
- (d) If you have a Device, other than a phone, such as a Tablet, which is capable of making telephone calls, you may be able to use this to make free calls to emergency services in the UK by calling 999 or 112, however your Location Data may not be transmitted to the emergency services in these circumstances.
- (e) If you have a Device that operates on Android operating system 2.3 and above, on calling 999 or 112 while in the UK and connected via the Three Network, your Location Data may be automatically transmitted to the emergency services to help them locate you in an emergency.

5.11 Coverage and network speeds

- (a) We'll always try to make Three Services available to you. However, there may be areas where you don't have access to all Three Services or where coverage is otherwise limited or unavailable or network speeds are

slower than expected. Throughout 2023 and 2024, we will be making changes to and upgrading the Three Network. Following some of these changes, you will need a 4G or 5G handset capable of making voice calls on the 4G network, or a 4G or 5G router to access the Three Services. 3G-only devices, and early 4G handsets that can only make 3G voice calls, will no longer work on the Three Network, in areas where planned work is carried out. For more information about coverage, go to Three.co.uk/coverage.

- (b) The data speeds that you'll experience on our network will vary due to a number of factors including your distance from the nearest mast, your location in a building, local geography, congestion and the type of equipment that you're using- for example, you'll only be able to enjoy 4G speeds if you're in a 4G coverage area and using a 4G device.

5.12 Broadband speeds

- (a) Our advertised and estimated maximum upload and download speeds for our broadband internet services, provided as part of the Three Services, are set out in our estimated broadband speeds table, available at: www.three.co.uk/broadband-speeds
- (b) We do not guarantee that our broadband service will achieve any specific speeds. The speeds achieved by our broadband service will depend on factors such as your geographic location, the type of walls and windows in your building, the number of people using the network, the external environment, and the correct setup of your hub.
- (c) We may implement measures to manage the traffic across our network in exceptional circumstances to prevent impending network congestion and/or mitigate the effects of any exceptional or temporary network congestion. We may also implement traffic management measures in order to meet our legal

obligations, preserve the integrity and security of our networks, services, or terminal equipment, or to provide you with any particular services you have requested. For more information on traffic management on our network, please visit: http://support.three.co.uk/mobiledocs/Support/Signal_and_coverage/our_network/TrafficSense_facts_document.pdf

- (d) The variability of the download and upload speeds achieved, and the technology used to access the broadband services, may affect your experience of our services and your ability to access and distribute information and content, and use and provide applications and services.
- (e) In the event that you experience continuous or regularly recurring disruption to the broadband services you may be entitled to a price reduction based upon the period of the disruption, in accordance with Section 5.13.

5.13 Disruption to Three Services

- (a) Due to the nature of mobile technology, there may be situations when Three Services aren't always available, or the quality or network speeds are affected and so we cannot guarantee continuous fault-free service. For example:
 - (i) when we need to perform upgrading, maintenance or other work on the Three Network or Three Services;
 - (ii) when you move outside Three's 3G or 4G service area while you're on a call (in this case calls may end) or using data (in this case, your connection may be lost);
 - (iii) when you're in areas not covered by the Three Network. In this case, Three Services relies on other operators' networks, over which we have no control;

and

- (iv) because of factors outside our control, such as the features or functionality of your Device, legal or regulatory requirements, lack of capacity, interruptions to Three Services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.
- (b) In the event that you experience continuous or regularly recurring disruption to Three Services (such as where your access to Three Services is limited or unavailable) you may be entitled to a price reduction based upon the period of the disruption. This may take the form of a partial or full credit or a refund of your Monthly Charge. To receive a credit or refund you'll need to report to us a disruption on the Three Network in order that we may investigate your concerns, consider the extent to which you use the Three Services in question and measure the disruption against your typical usage history. An alternative means of accessing the disrupted Three Service (for example, using Three InTouch Wi-Fi Calling or Home Signal) must also be unavailable to you. This is without prejudice to any remedies which may be available to you under consumer law (as explained more fully at Section 12.3) or general contract law, including damages or early termination of this agreement (where the disruption to Three Services is very serious). Please contact us as set out in Section 7 (Your Rights - Complaints) and we'll work with you to find an appropriate resolution for your particular circumstances.

5.14 Goodwill gesture or credit

Unless otherwise stated to you in writing, if we apply a monetary goodwill gesture or credit to your account during the course of your agreement, such monetary goodwill gesture or credit may not be redeemed for cash and may solely be redeemed against your use of Three Services.

6 What you'll do in return - Personal Security

Updated: 1 Sept 2024

- 6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep it safe and secure whilst it's in your possession and you must ensure that you're able to return it to us, if required. We may charge you for any replacement SIM (as set out in our Price Guide).
- 6.2 You must keep all PINs and passwords secure and confidential. You're also responsible for the security of your Device and must make sure that you keep it secure (see the Device manufacturer's user guide for details of how to keep your Device secure). You must also keep any PINs or passwords for any services you access through your Device secure and confidential.
- 6.3 You should immediately change your PIN or password if you become aware that someone is accessing Three Services on your account without your permission.

Responsible use - How you use the Three Services

- 6.4 You may only use Three Services:
 - (a) as set out in this agreement; and
 - (b) for your own personal use. This means you must not resell or commercially exploit any of Three Services or our content.
- 6.5 You mustn't use Three Services, the SIM, the eSIM Profile or Three phone number or allow anyone else to use Three Services, the SIM, the eSIM Profile or Three phone number for illegal or improper uses. For example:
 - (a) for fraudulent, criminal or other illegal activity;
 - (b) in any way which breaches another person's rights
 - (c) including copyright or other intellectual property rights;
 - (d) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission;

from time to time.

- (e) to download, send or upload content of an excessive size, quantity or frequency. We'll contact you if your use is excessive;
- (f) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three Network, the networks or systems of others or Three Services; or
- (g) to use or provide to others any directory or details about Three customers.

6.6 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your Device and any instructions regarding the use of your plan, as set out in your Price Guide (available at www.Three.co.uk/priceguide).

6.7 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of Three Services, you will, notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.

6.8 We have published an acceptable use policy which provides more details about the rules for use of certain Three Services:

- (a) to ensure that use of Three Services either in the UK or in our Go Roam destinations is not excessive;
- (b) to combat fraud;
- (c) to protect Three's employees from abuse or harassment; and
- (d) where Three Services we offer or may introduce require certain rules to ensure they can be enjoyed by all our customers.

This policy is available on our website and may be changed

Updated: 1 Sept 2024

Responsible use - How you use the Messaging and Storage Services

- 6.9 While using the Messaging Services, you must not send or upload:
- (a) anything that is copyright protected, unless you have permission;
 - (b) unsolicited bulk or commercial communications or other unauthorised communications, or knowingly send any viruses; or
 - (c) anything that is obscene, offensive, abusive, defamatory, menacing, harassing, threatening or is unlawful in any other way.

6.10 We may put limits on the use of certain Three Services, such as Messaging Services or Storage Services. For example, we may limit the size of messages or storage space.

6.11 While we have no obligation to monitor the Messaging Services or Storage Services, if you exceed our published use limits, or we're made aware of any issues with your use of these Three Services (for example, if we're made aware that you're using Three Services in any of the ways prohibited in Section 6.9 above) we reserve the right to remove or refuse to send or store content on your behalf. You may still be charged for any content which is blocked or removed.

Responsible use - How you use the Age Restricted Services

6.12 If you're under 18, you're not allowed to access our Age Restricted Services. If you're 18 or over and you access the Age Restricted Services, you mustn't show or send content from the Age Restricted Services to anyone under 18. You must also ensure that you've deactivated any access to Age Restricted Services if you let anyone under 18 use your Device.

6.13 You accept that we cannot control access to age restricted services obtained over WiFi.

Responsible use - How you use the Three Services outside the UK

6.14 If you use Three Services from a country outside the UK:

- (a) your use of Three Services may be subject to laws and regulations that apply in that other country, and we're not responsible for your failure to comply with those laws or regulations;
- (b) you will be roaming on another operator's network so:
 - (i) you may not receive the same level of coverage and speed as you're used to on the Three network. We have no liability if you're unable to access services abroad, or if the quality of any other operator's network services differs from those provided on the Three network and;
 - (ii) we accept no responsibility for information processing when it leaves our control.

6.15 Use of Three Services in our Go Roam destinations is subject to our fair use policies, as published in your Price Guide, which may be updated from time to time. See www.Three.co.uk/priceguide for full details:

- (a) If you use Three Services in our Go Roam in Europe destinations, you can use your voice minutes, text messages and/or a portion of your data allowance each month subject to paying a daily charge of £2 to unlock your allowance for 24 hours in our Go Roam in Europe destinations. Any use in excess of the monthly fair use data limit, but within any available data allowance, will be subject to a surcharge. Fair use policies and the daily roaming charge are set out in more detail in your Price Guide.
- (b) If you use Three Services in our Go Roam Around the World destinations, you can use a portion of your allowance of voice minutes, texts and data each month subject to paying a daily charge of £5 to unlock your allowance for 24 hours for use in our Go Roam Around the World destinations. Any use in

excess of your monthly fair use data limit, but within any available data allowance, will be subject to a surcharge. If you exceed any of the fair use limits for minutes or texts in any two months within a rolling 12-month period, we have the right to suspend international roaming on your account, meaning you will no longer be able to use your device or allowances abroad. We'll let you know in advance if this is likely to happen.

- (c) If you roam exclusively in one or more of our Go Roam destinations (including both Go Roam in Europe and Go Roam Around the World) for any two complete months in a rolling 12-month period, we may suspend international roaming on your account, meaning you will no longer be able to use your device or allowances abroad. We'll let you know in advance if this is likely to happen. If you spend a full month abroad but some of that time is spent in a destination that isn't included in Go Roam, this fair use policy won't apply.

6.16 You may accidentally roam if you're in an area close to national borders because your Device picks up a network signal across the border. If this is the case, then you may be charged as if you were roaming on an international network.

Paying your Bills

6.17 You must pay us all Charges in connection with all Three Services which are accessed using the SIM or eSIM Profile we supply to you. You must pay the Monthly Charge, whether or not your allowance of voice minutes, text messages and/or data are consumed by you or by another person, with or without your permission. You must also pay for all Three Services which don't involve a conversion of voice minutes, text messages and/or data within your allowance and which are accessed using the SIM or eSIM Profile we supply to you or which are accessed using your Device, whether the Three Services are accessed by you or by another person, with or without

your permission. If your SIM and/or Device is lost or stolen you remain responsible for all the Charges to your account until you tell us what happened and arrange for your SIM, eSIM Profile and/or Device to be deactivated.

- 6.18 We'll send you a bill on a periodic basis and this will usually be done monthly. However, we may change this period, and we would give you at least 14 days' notice of this.
- 6.19 Your bill will normally include your Monthly Charge for your Package for the next billing period and any administration fees along with Charges for your use of the Three Services in the UK in the last period and outside the UK in prior periods (if not within your allowance). If your Package includes an allowance, this will be made up of voice minutes, text messages and/or a certain amount of data each month. If you haven't used all of that monthly allowance by the time we bill you, it will expire and your monthly allowance will then start again on each monthly bill date (which you will see on your bill).
- 6.20 Charges on your bill are shown inclusive of VAT (where appropriate), unless you're a business customer, in which case, VAT will be added to your bill where appropriate.
- 6.21 You must make your payment by the due date and by one of the payment methods stated on your bill. If you choose to pay by a Recurring Payment Method, you will benefit from a monthly discount (as set out in our Price Guide. See also Section 6.24). However, we may also submit an interim bill or require an immediate payment if we think you have exceeded a reasonable limit on your account. Your bill will state the amount of the Charges due from you and the due date by which you must make payment. If you fail to pay your account on time, you will be breaking your agreement and we may Suspend or Disconnect you. In this case, you will have to pay any outstanding Charges. We may set a credit limit on your account. If you exceed the credit limit we set, we may Suspend any or all of the Three Services you use until you've made a payment to your account. You shouldn't use the credit limit for budgeting as the amount you owe isn't capped or limited by any credit limit we set.
- 6.22 Three will notify you at least 30 days in advance of any change in your payment date.

6.23 We may need to take legal or other collection action against you for non-payment of Charges. This could mean you have to pay our reasonable costs and expenses, or the reasonable costs and expenses of our assignees, including legal and administration costs. Interest may be added on a daily basis to any unpaid Charges and costs, at 2% per annum above the base rate of HSBC Bank plc, from the date payment is due until it is received.

6.24 As a condition of signing up to Three Services, we require you to set up a direct debit to pay your Charges and you will benefit from a discount to your Monthly Charge if you pay by this efficient means. In order to maintain this discount, you must continue to have a valid direct debit or other Recurring Payment Method in place. If you don't have a Recurring Payment Method in place, and pay us by other means, you won't benefit from the discount. Please see the Price Guide for further details of the discount amount and Recurring Payment Methods we accept.

9.5 If we Suspend any or all of your Three Services, you will still be able to make emergency calls (unless they've been Suspended at the request of the emergency services).
